EXAMINER'S AMENDMENT

A request for continued examination (RCE) under 37 CFR 1.114 was filed in this application on May 31, 2005 after a decision by the Board of Patent Appeals and Interferences, but before the filing of a Notice of Appeal to the Court of Appeals for the Federal Circuit or the commencement of a civil action. The request, however, lacks the fee required by 37 CFR 1.17(e) and/or a proper submission required by 37 CFR 1.114. Accordingly, the RCE is improper and any time period running was not tolled by the filing of the improper request. The submission of the amended appeal brief or reply brief filed December 19, 2003 was already considered by the Examiner on January 5, 2004 and by the Board of Appeals and Interferences on March 30, 2005. For this reason, the request for continued examination is not proper because the submission is not a new submission.

The period for seeking court review of the decision by the Board of Patent Appeals and Interferences rendered March 30, 2005 has expired and no further action has been taken by appellant. The proceedings as to the rejected claims are considered terminated; see 37 CFR 1.197(c).

The application has been passed to issue on allowed claims 101 and 102; see MPEP 1214.06(II) that is incorporated herein by reference.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 1-13, 15-24, 36-39, 41-55, 74, 76-100, and 103-104 have been cancelled.

Claims 101 and 102 have been allowed.

Conclusion

Applicant should specifically point out the support for any amendments made to the disclosure, including the claims (MPEP 714.02 and 2163.06). Due to the procedure outlined in MPEP 2163.06 for interpreting claims, it is noted that other art may be applicable under 35 USC 102 of 35 USC 103(a) once the aforementioned issue(s) is/are addressed.
